

This is a solicitation prepared in accordance with the format in FAR Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued.

Incorporated provisions and clauses are those in effect through Federal Acquisition Circular **2020-05, 30 March 2020** and the Defense Federal Acquisition Regulation Supplement (DFARS) change notice **20181218**. It is the contractor's responsibility to become familiar with applicable clauses and provisions. This acquisition is 100% set aside for small business concerns and is under North American Industry Classification Standards (NAICS) code 238160 with size standard of \$16.5 M. The magnitude (FAR 36.204) is less than \$25,000.

Contract line item numbers and quantities:

CLIN 0001: Replace Building 214 Roof Ridge Vent

CLIN 0002: ECMRA REPORTING

The contractor shall report ALL contractor labor hours (including subcontractor labor hours) required for performance of services provided under this contract via a secure data collection site. The contractor is required to completely fill in all required data fields using the following web address: www.ecmra.mil

Reporting inputs will be for the labor executed during the period of performance during each Government fiscal year (FY), which runs October 1 through September 30. While inputs may be reported any time during the FY, all data shall be reported no later than October 31 of each calendar year. Contractors may direct questions to the help desk at help desk at: (855) 723-2672

UIC: FFHP10

Wage Determination Applicable to this contract: Davis Bacon Act WD #VA20200167 REV 3 dated 10 April 2020.

Warranty:

The Contractor shall extend to the Government the full coverage of any standard warranty normally offered in a similar sale, provided such warranty is available at no additional cost to the Government. Acceptance of the standard warranty does not waive the Government's rights under any "Inspection" clause that may be in the contract nor does it limit the Government's rights with regard to the other terms and conditions of this contract. In the event of a conflict, the terms and conditions of the contract shall take precedence over the standard warranty. The standard warranty period shall begin upon final acceptance of the applicable material and/or services listed in the Schedule. **The Contractor shall provide a copy of its standard warranty (if applicable) with its offer.** The warranty covers a period of _____ months (OFFEROR is to insert number).

Notices:

The Contractor is hereby notified that in the event a Government employee other than the Contracting Officer directs a change in the work to be performed or increases the scope of the work to be performed, it is the Contractor's responsibility to make inquiry of the Contracting Officer before making the deviation from the written terms of the contract. Payments or Partial payments will not be made without being authorized by an appointed Contracting Officer with the legal authority to bind the Government.

Payments or Partial payments will not be made without being authorized by an appointed Contracting Officer with the legal authority to bind the Government.

1. GENERAL INFORMATION

1.1 CUSTOMER

203d RED HORSE Squadron, Virginia Air National Guard

1.2 LOCATION

Camp Pendleton State Military Reservation, Virginia Beach, Virginia 23451, Building 214 (Billeting)

1.3 PROJECT OBJECTIVES

Replace roof ridge vent with larger roof ridge vent. Seal and cap all edges to prevent water intrusion. Inspect all soffits for water intrusion. Provide associated cost estimates prior to repairs. Work to be done IAW UFC 3-110-03, *Roofing*. Color to match existing roof; style to match existing roof style.

1.4 WORK HOURS

All work to be performed from Tuesday through Friday from 0630 – 1630 (6:30 am – 4:30 pm). Additional work outside of these hours may be approved by the Owner for certain activities.

1.5 PERIOD OF PERFORMANCE

The Contractor shall begin work within 30 calendar days of receipt and execution of the written Notice To Proceed (NTP). The Contractor shall coordinate the schedule so that assessments and submittal are completed within an overall Contract Time of 30 calendar days. The Contract Time includes Owner review time.

1.6 POCs

Ty Randall, Deputy Base Civil Engineer, 192d Civil Engineer Flight, (757) 225-5313, ty.randall.12@us.af.mil

Chad Hagen, Contracting Officer, 192d Mission support Group, (757) 764-7600, chad.hagen@us.af.mil

2. SCOPE OF WORK

Remove existing roof ridge vent and replace with wider roof ridge vent of matching color and style, to be approved by customer.

2.1 DIMENSIONS AND REQUIREMENTS

Ridge vent is approximately 260 LF. New ridge vent to be wider to cover more of the standing seam roof expansion joint. The wider ridge vent will prevent water intrusion during inclement weather. New caps will be installed. Color and style to matching existing and to be approved by customer. Contractor to verify dimensions and quantities.

2.2 CIVIL LAYER
(This section not used)

2.3 DEMOLITION AND REMAINING STRUCTURES
Remove approximately 260 LF of ridge vent and end caps. Contractor to verify distances and quantity.
